Youth Ministry: Adult Support

Thank you to the many adults who have asked "How can help?"

Youth Ministry and the many Volunteer Events need to be "powered" by Adults. (From the prayer nights in Confirmation to the UNITAS VOLUNTEER DAY events as well as the UNITAS Week Mission Trips)

With Youth Ministry I have a lot of Volunteer options but sometimes don't have enough adults to assist with all the teens! Your presence matters and I can't manage without a good team of adults!

Anyone who works with children/teens, in our Archdiocese, needs to fill out the forms below, as well as attend **ONE** Protecting God's Children Training along with filling out the Code of Behavior.

There are trainings all over the Archdiocese and hopefully one of these will work for your schedule. (see link below on the training dates at various parishes in the area)

CORI Form: *(All adults need to fill this out yearly) – THIS IS THE 15/16 Form below for those RENEWING.*
