WHEN, WHERE AND HOW WE MINISTER EVERY SUNDAY AT ACADEMY MANOR

9:15 Meet in Abbott 1 (A-1) lobby. Sign guest and volunteer books. Go past kitchen, up ramp and into Brooks 1 lobby. Take elevator to Brooks 2 (B-2). Cart with crucifix, tablecloths and other supplies will be ready (THANK YOU, Rosemary!) beside Activities Office across from elevator. Fill a water pitcher from the cooler around the corner. Replenish water from coolers on B-2, A-2 (in kitchen/community room) and B-1 as needed.

Rosemary in the Brooks wing and Jen on A-2 gather residents in each of the areas where we hold services. Mary Ellen Driscoll keeps resident lists as current as possible. Look over lists for changes, noting who needs thickened water. Check supply of cups, spoons and packets of thickener. Gather in prayer.

(Continued >>>>)

9:45 Service for B-2 –Pick up supply cart on B-2 and proceed to B-2 community room. Minister in B-2 rooms.
 10:15 Service in A-2 community room. VERY FEW may be in A-2 rooms. If possible, go to A-3 community room.
 10:45 Service and room visits on B-1. Service starting times are approximate.

Some individuals may respond differently from one week to another. We must assume nothing, but approach each communicant gently, trying to discern her/his orientation at that moment. Giving visual cues may help, especially with the hearing-impaired.

PLEASE NOTE: Although we go to B-2 first, then A-2, the order may change if breakfast is delayed.

Please try to trade places with a minister on another team if you'll be away on a scheduled Sunday, or notify Cynthia to look for a substitute if an exchange is not possible.
