St. Augustine Religious Education Christmas Project
“Silent Night”

When we think of Christmas we remember that Jesus was born in a stable. Mary and Joseph had very little to give him - had it not been for the kindness of others they would have nothing on that first night for their new born son or themselves. Many people in our area have limited material possessions, so we are going to bring the spirit of Christmas into their lives.

Just as the Three Kings brought gifts to Jesus and the Holy Family we will bring gifts to the clients of Lazarus House, Bread & Roses & Pregnancy Care.

We are asking the students of the Religious Education program to bring the following donations into class/parish center during Advent (Monday November 28 – Tuesday December 20) to ensure a beautiful “Silent Christmas” Night

(All parishioners are welcome to donate to this project – bring your “gifts” to the Parish Center Monday – Friday 9:00 – 2:30)
